Dear Mr. Manley:

Your letter of June 28th. received in reference to playing at Buffalo. The Chicago American Giants and the Cleveland Buckeyes both clubs travel by their own bus.

In regards to terms at Offermann Stadium 55% of the Gross receipts. The above terms are worked with all clubs playing at Offermann Stadium. Would also give both clubs same at Niagara Falls, N.Y. And if interested could work out Hamilton, Ontario. Canada. Also for a Night game at Scott Field. If not possible for you to swing over with two clubs could have Motor City Giants or Pittsburgh Crawfords. fill in.

On the above terms we have a margin of 20% to promote game here at Offermann Stadium. The set up here at the Stadium is so that we pay extra for all help (Union) such as ticket sellers - and gate men. Ushers-scoreboard operators Ect. in general it calls for about \$75.00 in addition our publicity such as radio and newspaper is around \$60.00 plus other expenditures involved in said promotion of games here at Buffalo. Trusting that you will give the above matter some consideration and that I will hear from you by return mail. I remain.

Sincerely yours,

Anthony Pascoe
